 Aesthetics Conference

# Invitation

Dear Colleagues,

On behalf of the organizing committee, it is our special privilege and honor to invite you for **AESTHETICS 2025** from **22<sup>nd</sup> to 24<sup>th</sup> August 2025** at the India Habitat Centre, New Delhi. This endeavor is organized annually for the last 14 years with the theme of '**Learning From Each Other**', and is attended by more than 700 delegates from 15 countries each year. The focus of the Conference has been to create awareness about the interdisciplinary approach to the aesthetic practice & provide a holistic approach to management.

The Organizing Committee is working hard to make this a memorable event with incorporation of didactic and highly interactive sessions from world leaders in aesthetic medicine and surgery. This year we have introduced many new **hands on workshops & master classes** to sharpen your skills. Please visit: **[www.aestheticsdelhi.com](http://www.aestheticsdelhi.com)** for more details.

We look forward to welcome you in Delhi for this exciting academic bonanza.

With Regards

**DR. INDU BALLANI**  
Dermatologist  
Scientific Secretary

**DR. RAKESH KALRA**  
Plastic Surgeon  
Chairperson  
Scientific Committee

**DR. HEMA PANT**  
Dermatologist  
Chairperson  
Scientific Committee

**DR. VIVEK KUMAR**  
Plastic Surgeon  
Organizing Secretary

# Call For Abstracts

## AESTHETICS E-POSTER AWARDS 2025

**You Win! Your Department Gains!!**

- ✧ Letter from HOD is required for abstract submission
- ✧ The prize money will be granted to the winning department

### The Award Categories will include

#### Original Research

₹ 1,00,000

₹ 50,000

#### Case Report/ Case Series

₹ 30,000

₹ 20,000

*The grant will be reimbursed only through the respective Heads of Departments, upon receipt of invoice(s) against Books/ Instruments/ Other valid resources purchased for the department.*

**Dr. Chander Grover**

Dermatologist  
Chairperson

**Dr. Veena Singh**

Plastic Surgeon  
Chairperson

# Aesthetics Mentorship Programs

- 6 programs that offer the chance to procure an international scholarship, allowing mentees to spend a week with world renowned leaders in the field of Dermatology and Aesthetics.
- The program will provide complimentary travel and accommodation for the mentee.
- The candidates would be selected purely on the basis of merit.
- Only Indian doctors practicing in India are eligible for mentorship.

## Dr. Sanjiv Kandhari Mentorship

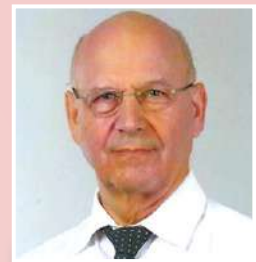

**Dr. Sanjiv Kandhari**

### Mentor

**Dr. Eckart Haneke**

Professor - Bern, Switzerland

Dr. Eckart Haneke is a professor at the Department of Dermatology at Inselspital and University Bern in Switzerland. He is also a Dermatologist at the Clinic for Dermatology Dermaticum, Freiburg, Germany, and Senior Consultant at the Dermatology Centre Epidermis, Institute CUF, Porto, Portugal, and Senior Consultant at Department Dermatol, Acad Hosp, University Gent, Belgium. Dr. Haneke's main research interests include nail diseases, dermatopathology, dermatological surgery, diseases of the oral mucosa, and aesthetic dermatology.

Dr. Haneke has published over 300 journal articles and 160 book chapters. He is the author of one book, co-editor of five books, and has presented over 1200 lectures at national and international meetings. He is also a member of the editorial board of several journals and an ad hoc manuscript reviewer for the following journals: Archives of Dermatology, British Journal of Dermatology, European Journal of Dermatology, Der Hautarzt, Journal of the American Academy of Dermatology, Journal of the European Academy of Dermatology and Venereology and Journal of the German Society of Dermatology.

# Aesthetics Mentorship Programs

## Prof. Arun K Singh Mentorship

**Prof. Arun K Singh**

### Mentor

**Dr. Antonino Araco**  
Plastic Surgeon, Italy

Dr. Araco is an Aesthetic Surgeon in Rome and Milan, also serving as a Contracted Professor at the University of Camerino and Torino. As Medical Director of Jenevi Medical, he has published 62 articles, reviewed for prestigious journals, and performed over 12,000 cosmetic surgeries since 2001.

He's an international speaker and an expert in Health Law, Medical Responsibility, and Forensic Plastic Surgery.

## Dr. R D Mukhija Mentorship

**Dr. R. D. Mukhija**

### Mentor

**Dr. Doris Maria Hexsel**  
Dermatologist and Principal Investigator - Hexsel Dermatologic Clinics, Brazil

Dr. Hexsel is renowned for her expertise in cosmetic dermatology. As Medical Director of Hexsel Dermatologic Clinics in Porto Alegre and Rio de Janeiro, she specializes in cellulite treatment and facial rejuvenation. With extensive experience in dermatology.

She is a distinguished member of prestigious dermatological societies and has received numerous awards, including the "Lawrence Field Lectureship" from the American Society for Dermatologic Surgery.

# Aesthetics Mentorship Programs

## Dr. Niti Khunger Mentorship

**Dr. Niti Khunger**

### Mentor

**Dr. Sonja Sattler**

MD, CEO/Medical Director

Rosenpark Klinik, Darmstadt, Germany

Sonja Sattler is working in Cosmetic/Aesthetic Medicine since 25 years. She is specialized in skin: facial rejuvenation with toxin, filler, EBDs including laser and its best combinations - as well as in general dermatologic surgery. She is also an expert in body rejuvenation including cellulite treatments and vaginal rejuvenation. Dr. Sonja Sattler has more than 20 publications in International Scientific Journals.

She founded 1996 Rosenpark Clinic, Rosenpark Research and BELLARI. Since that time, beside her work as an Aesthetic Physician and Researcher in Dermatology and Aesthetic Dermatology, she has been the guiding hand of the clinic in terms of finances, HR and organizational issues.

## Dr. Manas Chatterjee Mentorship

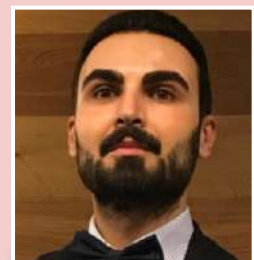

**Dr. Manas Chatterjee**

### Mentor

**Dr. Enzo Errichetti**

Senior Consultant Dermatologist,  
and Venereologist, Italy

Professor of Dermatology, Dr. Errichetti specializes at the Institute of Dermatology in Udine. He's the Secretary General of the Italian Association of Non-Invasive Diagnostics in Dermatology and a member of the executive committee of the International Society of Dermoscopy.

Dr. Errichetti's research focuses on dermoscopy in non-neoplastic dermatological diseases, particularly in dark skin, with over 150 articles published in international journals. He pioneered the description of dermoscopic characteristics in various dermatoses and coordinated international studies on dermoscopy.

# Aesthetics Mentorship Programs

## Prof. Somesh Gupta Mentorship

**Dr. Somesh Gupta**

### Mentor

**Prof. Vishal Madan**

Director, Everything Skin Clinic,  
United Kingdom

Professor Vishal Madan is a Consultant Dermatologist, Laser and Dermatological Surgeon, practising from Everything Skin Clinic™. Professor Madan specialises in the diagnosis and treatment of all skin conditions. Being the President of the British Medical Laser Association, he is the leading skin expert with extensive experience in the laser treatment of rosacea, facial redness, blemishes, rhinophyma, cysts, birthmarks, acne including acne scarring. He has a special interest in skin cancer treatment, using Mohs Micrographic surgery; a specialized technique which is by far the best method of treating basal cell carcinomas or BCC's.

Professor Madan offers quality advice on non-invasive treatments such as Dermal filler, including cheek fillers, lip fillers, nose fillers, temple fillers, and under eye fillers, as well as Chemical peels and Lasers, offering these services from Everything Skin Clinic™

# Workshops

**Pre Conference Parallel Workshops**  
(Please select any one workshop)

Course Fee for  
each Workshop

▶ ₹ 8000

**Date:** 22<sup>nd</sup> August 2025

**Time:** 9:00 AM to 1:00 PM

1

## Workshop on Injectable Basic

9:00 AM to 1:00 PM

**Faculty:** Dr Sonja Sattler, Dr Soni Nanda, Dr Latika Arya, Dr Kritika Pandey

A beautifully designed workshop with star faculty, addressing building blocks and basic techniques with a critical focus on facial anatomy. The workshop is suitable for someone starting an injectable practice and as a refresher guide for practicing injectors.

- ✦ Counselling and facial anatomy
- ✦ Practical aspects in clinical practice - techniques and injection practices for botulinum toxin for upper face and periorbital area
- ✦ Which filler for what area?
- ✦ Contouring the cheek - needle vs cannula
- ✦ Technique for treating nasolabial folds
- ✦ Complications and their management
- ✦ Hyaluronidase - preparation and use

Q & A Interactive session

2

## Workshop on Injectable Advanced

9:00 AM to 1:00 PM

**Faculty:** Dr Anthony V Benedetto, Dr Rajat Kandhari, Dr Itishree Gupta, Dr Priti Shukla

This workshop focuses on bespoke treatment plans for your patients and a complete insight into advanced techniques in an injectable practice. Proper planning and optimizing outcomes for your patients.

- ✦ How I inject the temporal area
- ✦ Managing the tricky tear trough
- ✦ Tapering the borders - treating the jawline
- ✦ Contouring the lower face with botulinum toxin
- ✦ Microbotox
- ✦ Neck lift with injectables

Q & A Interactive session

# Workshops

3

## Workshop on Lasers

9:00 AM to 1:00 PM

**Faculty:** Dr Klaus Fritz, Dr Michael H. Gold, Dr Anil Ganjoo, Dr Anuj Pall, Dr Ganesh Pai

Reinvent your concepts in lasers and energy-based devices. Learn from an expert group everything from what to include in your practice, what works and what doesn't, and tips on the right parameters.

- ✧ Overview of laser physics and application
- ✧ What to buy and how to use?
- ✧ When to say NO to your patients?
- ✧ Dealing with complications?
- ✧ Management of moles and nevi?
- ✧ Managing pigmentary conditions
- ✧ Optimizing outcomes in LHR and Resurfacing
- ✧ Triple wavelength technology - Truth or Hype?
- ✧ Picosecond technology - Is it worth the cost?
- ✧ Energy based devices - WHAT to use for WHICH indication

Q & A Interactive session

4

## Workshop on Microblading and Scalp Micropigmentation

9:00 AM to 1:00 PM

**Faculty:** Dr Jyoti Gupta, Dr Arushi Dudeja

This workshop differs from routine micropigmentation workshops as it is curated by and with people who share a common passion - medical tattooing, and have come together to brainstorm about this subject at various platforms. Each faculty member has honed his/her skill set in a unique way. This workshop will not rush through the basics and jump to technique, but will focus on each delegate spending time on the various steps that lead up to the final procedure.

- ✧ Pigments, Colours, Colour-mixing and matching (Hands-On) - An exercise with actual colours to understand skin tone, in-depth
- ✧ Counselling the patient for micropigmentation
- ✧ Scope and revival of micropigmentation
- ✧ Eyebrow mapping and shaping
- ✧ Permanent Make-Up
- ✧ Micropigmentation for Vitiligo
- ✧ Scalp Micropigmentation

Q & A Interactive session

# Workshops

5

## Workshop on Vitiligo

9:00 AM to 1:00 PM

Faculty: Dr Somesh Gupta, Dr Munish Paul

- ✧ Patient selection and effective methods
- ✧ Procedural details and effectiveness of surgical management in vitiligo
- ✧ Cell based therapies in vitiligo management
- ✧ Surgical management of difficult to tackle areas
- ✧ When not to consider surgery
- ✧ Tips to enhance surgical outcomes

Q & A Interactive session

6

## Workshop on Acne Scars

9:00 AM to 1:00 PM

Faculty: Dr Niti Khunger, Dr Atula Gupta

Led by experienced faculty, an intensive workshop providing a 360-degree approach on how to tackle stubborn acne scars. How to comprehensively plan the treatment for your patients to give them optimal outcomes and better quality of life.

- ✧ Assessment and planning for treatment of different scars
- ✧ Tackling atrophic & hypertrophic scars by combination treatments
- ✧ Fillers and autologous fat for acne scars - what, when and how?
- ✧ Laser resurfacing and Subdermal Minimal Surgery Technology (Enerjet Technology)
- ✧ Old wine in a new bottle - Optimizing outcomes from punch elevation, punch excision, CROSS technique and subcision
- ✧ Micro needling - How I do it?

Q & A Interactive session

**Pre Conference Parallel Workshops**  
(Please select any one workshop)

Course Fee for  
each Workshop

▶ ₹ 8000

**Date:** 22<sup>nd</sup> August 2025

**Time:** 2:00 PM to 6:00 PM

7

## Workshop on Regenerative Medicine in Dermatology & Aesthetics

2:00 PM to 6:00 PM

**Faculty:** Dr Sahar Foad Ghannam, Dr VS Rathore, Dr Kashish Kalra, Dr Geeta Patel

### Exosomes

Exosomes are revolutionizing regenerative aesthetics by harnessing the power of cellular communication to rejuvenate skin and restore hair vitality. This session will provide a deep dive into the science, preparation, and application of umbilical cord-derived exosomes for skin and hair.

### Future prospects

Problem marking & identification on cellular level, &, Stem cell therapies

- ✧ **Evolution of Exosomes** - Understanding their journey from discovery to clinical aesthetics
- ✧ **Biology & Mechanism of Action** - How exosomes promote skin regeneration and hair follicle stimulation
- ✧ **Choosing the Right Exosomes** - What differentiates high-quality exosomes, sourcing considerations, and purity standards
- ✧ **Optimizing Treatment Protocols** - Application techniques for facial rejuvenation, hair restoration, and scar therapy
- ✧ **Combination Therapies** - Synergistic use with microneedling, lasers, and PRP for enhanced outcomes
- ✧ **Clinical Evidence & Patient Selection** - Key indications, contraindications, and real-world case studies
- ✧ **Live Demonstration** - Step-by-step application of exosomes for skin and scalp treatments

Q & A Interactive session

# Workshops

## **8** Workshop on Mohs Surgery 2:00 PM to 6:00 PM

**Faculty:** Dr Anthony V. Benedetto, Dr Srikanth Garikaparthi, Dr Vinay Kant Shankhdhar, Dr Somesh Gupta, Dr Vinay Keshavamurthy, Dr Shipra Agarwal

Join us for a comprehensive workshop designed for dermatologists and surgeons, featuring:

- ✦ Expert-led lectures on Mohs surgery principles and techniques
- ✦ Demonstrations of Mohs procedure
- ✦ In-depth discussions on patient care and management
- ✦ Enhance your skills and improve patient outcomes

## **9** Workshop on Threads 2:00 PM to 6:00 PM

**Faculty:** Dr Thomas Rappl, Dr Indu Ballani, Dr Viral Desai, Dr Piyali Chatterjee

The workshop focuses on techniques of basic and advanced thread lifts, as monotherapy and/or with other combination treatments.

- ✦ How to select the right candidate for thread lift?
- ✦ Which thread and where?
- ✦ How to optimize treatment outcomes?
- ✦ How to enhance the jawline using threads?
- ✦ How to volumize the face with threads?
- ✦ Combining different modalities with threads

Q & A Interactive session

## **10** Workshop on Nail Aesthetics 2:00 PM to 6:00 PM

**Faculty:** Dr Eckart Haneke, Dr Chander Grover, Dr Archana Singal

Learn the basic to advanced nail surgery techniques including an effective aesthetics. Focus in to prevent scarring.

- ✦ Basics of Nail Aesthetics and Nail Surgery
- ✦ Injectable therapies in nail disorders
- ✦ LASERS, nail peels and gel nails
- ✦ Ingrown nail management
- ✦ Treatment options for chronic paronychia
- ✦ Nail Biopsy - various techniques
- ✦ Brittle nails
- ✦ Management of nail tumors

Q & A Interactive session

# Workshops

11

## Workshop on Fat Grafting

2:00 PM to 6:00 PM

Faculty: Dr Amin Kalaaji, Dr Milan Doshi, Dr Sheeja Rajan, Dr Sandeep Sharma

Unlocking the Potential of Fat Grafting: A Comprehensive Session on the Latest Techniques and Innovations.

- ✧ Goal is to provide the most up-to-date information on autologous fat grafting.
- ✧ Latest fat grafting technique involving careful harvesting, fat processing and precise placement of the grafts.
- ✧ Regenerative and stem cell-based techniques for facial rejuvenation
- ✧ Latest Innovation in Fat Grafting and techniques of Stromal vascular fraction (SVF) and Adipose-derived stem cells (ADSCs) isolate from lipo-aspirates
- ✧ Learn supplementation of SVF and ADSCs to fat grafts
- ✧ Cell enriched fat grafting for the treatment of androgenic alopecia and Volumetric rejuvenation in the hands
- ✧ Fat has stem cells and Regenerative applications which are unique and important to know for fat and associated products

Q & A Interactive session

12

## Workshop on Non-Surgical Body Contouring

2:00 PM to 6:00 PM

Faculty: Dr Michael H. Gold, Dr Meghna Rastogi Gupta, Dr Chiranjiv Chhabra

Immerse into the era of contouring the face and body via lasers, EBD's, threads, lipolysis and combination therapies.

- ✧ Role of High Intensity Focused Ultrasound in facial and body contouring
- ✧ Injection and body lipolysis - what to use and how to
- ✧ Cryolipolysis for SMF, love handles, arms, chest and other areas
- ✧ Radio frequency assisted therapies for body and facial contouring
- ✧ Comparative analysis of available treatments
- ✧ How to counsel the patient and run a body contouring practice
- ✧ Threads for body contouring

# Masterclasses

## Master Classes

Fee for  
each Course

▶ ₹ 4000

### 1. Hyperpigmentation - Tips & Tricks in clinical practice Saturday 23<sup>rd</sup> August

Faculty: Dr. Hema Pant

Hyper Pigmentation- Easy to diagnose but difficult to treat. A detailed session on how to treat difficult cases of Hyper Pigmentation. You will benefit immensely from this round table discussion and learn to combine various therapies to achieve maximum results.

### 2. Masterclass on Lip Rejuvenation Saturday 23<sup>rd</sup> August

Faculty: Dr. Malavika Kohli

Lips and perioral enhancement by hyaluronic gels. Not only lips but perioral filling for ageing lips. Trends and techniques for lip enhancements especially in young females.

### 3. My learning in Hyperandrogenic disorders Saturday 23<sup>rd</sup> August

Faculty: Dr. Sanjiv Kandhari

A comprehensive session on management of Androgenetic disorders the right way. Master the art of managing PCOS and hormonal acne and hair loss. Benefit from one to one discussions and clear your doubts.

### 4. Dermatological procedures under locoregional anaesthesia Saturday 23<sup>rd</sup> August

Faculty: Dr. D K Gupta

Elevate your expertise in minimally invasive dermatologic surgery with this exclusive masterclass. Designed for dermatologists and surgeons, this workshop focuses on advanced techniques performed under local anaesthesia, offering practical solutions for common and complex conditions.

#### Key Topics:

- ✦ Ear Lobule Repair
- ✦ Nail Deformities
- ✦ Non-Invasive Hemangioma Correction
- ✦ Facial Fat Grafting

Take your practice to the next level

# Masterclasses

## Master Classes

Fee for  
each Course

▶ ₹ 4000

### 5. Radiofrequency - Tips & Tricks in practice Sunday 24<sup>th</sup> August

Faculty: Dr. Somesh Gupta

Radiofrequency ablation is a versatile dermatosurgical procedure for various types of skin lesions. Learn about major modalities in radio frequency eg electrosection, electrocoagulation, electrodesiccation and fulguration for their respective dermatological indications. Besides a comprehensive assessment, choice of anaesthesia and consideration of all the factors affecting the efficacy of radio frequency and complication management.

### 6. Masterclass on Hair Transplant Sunday 24<sup>th</sup> August

Faculty: Dr. Manoj Khanna

Learn the tips and tricks of hair transplant from the masters .A comprehensive session dealing with nitty gritty of how to get the best results and successful hair transplantation practice.

### 7. How to avoid complications in the Ear lobule repair Sunday 24<sup>th</sup> August

Faculty: Dr. Atul Shah

Wide ear lobule holes need closure, where many alternatives are available. Discussion will be based on sparing of intact rim and on bringing a small flap to create new tear resistant hole for ornaments. Learn various tips to avoid complications.

### 8. A to Z of Chemical Peels Sunday 24<sup>th</sup> August

Faculty: Dr. Rashmi Sarkar

This comprehensive masterclass covers in-depth knowledge of skin physiology, peel classifications , indications and contraindications.

Detailed discussions on various peeling agents, combinations and ideal patient selection will be done and some newer peeling agents will be included. This masterclass will equip you with the expertise to deliver safe and effective peel treatments for optimal skin rejuvenation.
